Artisan Fair Scholarship

Donations raised from vendors participating in Enloe Medical Center’s annual Artisan Fair benefit this scholarship. The fund is designed to encourage and enhance the educational opportunities and advancement of our nursing staff, including online BSN and MSN programs.

**Fund Allocation:**
One $1,125 scholarship will be distributed in 2020 from the Artisan Fair Scholarship. Allocation amount will vary each year based on the amount raised from Artisan Fair booth vendors.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist, documentation of the type of nursing education funds will be used toward and a letter of recommendation by a supervisor.
Butte County EMS Symposium Scholarship

Butte County Emergency Medical Services (EMS) created this scholarship in 2016 in memory of Dr. Terrance Fraters with funds raised during the Butte County EMS Symposium. It is designed to encourage and enhance the educational advancement of emergency medical technicians and paramedics. Employees and volunteers for Butte County EMS and Westside Ambulance are encouraged to apply.

Fund Allocation:
Two $250 scholarships may be distributed once a year from the Butte County Emergency Medical Services Symposium Scholarship Fund. Allocation is to be used to fund continuing education at a conference, educational institution, or on-line seminar.

Eligibility:
Applicants must be current EMT or paramedic employees or volunteers in good standing at Butte County EMS or Westside Ambulance. Must have current California state paramedic license or EMT certification. One award per applicant every five years.

Recipient Responsibilities:
Recipients may be asked to submit a report and/or speak about their educational experience.

Application Requirements:
All required documents listed on the application checklist, proof of enrollment and 3.0 GPA; or documentation of the type of training funds will be used toward.
Enloe Employee Scholarship

Established in October of 2008, the Enloe Employee Scholarship is for Enloe employees pursuing continuing education in their chosen field.

**Fund Allocation:**
Up to four $500 scholarships may be distributed each year from the Enloe Employee Scholarship Fund. Allocation is to be used for any Enloe employee to fund continuing education related to employment at Enloe at a conference, educational institution, or on-line seminar.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist.
Enloe Foundation Board of Directors Scholarship

The Enloe Foundation Board of Directors created this scholarship in 2018. The volunteer board of community members works to support the patients, programs, equipment and facility needs of Enloe Medical Center through the enhancement of charitable support gathered from the communities it serves. The scholarship is designed to encourage and enhance the educational opportunities and advancement of any Enloe employee.

**Fund Allocation:**
Two $1,000 scholarships may be distributed each year from the Enloe Foundation Board of Directors Scholarship Fund. The scholarship is available for any Enloe employee to fund continuing education related to employment at Enloe at an educational institution, attendance at an educational conference or acquisition of a work-related credential.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience to the Foundation Board of Directors or other appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist.
Enloe Golf Tournament Nursing Scholarship

The Enloe Foundation Golf Tournament Committee created this scholarship in 1999, designed to encourage and enhance the educational advancement of our nursing staff. Current nursing staff pursuing further education, along with any Enloe employees who are pursuing a degree in nursing, are encouraged to apply.

**Fund Allocation:**
Two $2,000 scholarships may be distributed each year from the Enloe Golf Tournament Nursing Scholarship fund. Allocation is to be used for employees actively pursuing a nursing career.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center and actively pursuing nursing education.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist and documentation of the type of nursing education funds will be used toward.
Enloe Women’s Services Scholarship

Established in July 2017, the Women's Services Scholarship was created to financially support Women’s Services clinic staff to further their academic education through enrollment in training, licensing, conferences and continuing education.

**Fund Allocation:**
One $500 scholarship may be distributed once a year from the Enloe Women’s Services Scholarship Fund. Allocation is to be used to further academic education through enrollment in training, licensing, conferences and continuing education.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center working in a Women’s Services clinic.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience.

**Application Requirements:**
All required documents listed on the application checklist, proof of enrollment and 2.5 GPA; or documentation of the type of licensing, training or conference funds will be used towards.
Herb and Sue Henderson Continuing Nursing Education Scholarship

Herb and Sue Henderson were both critical care nurses before Herb went back to school and became an anesthesiologist and Sue became a Nurse Practitioner. They both understand the importance of continuing education in order to stay up to date with best practices. Sue especially feels the need to give back to the NTSICU nurses at Enloe Medical Center as she was the nurse manager of this unit for three years and was impressed with the compassion and clinical expertise of this group of professionals.

This scholarship is to financially support nurses who wish to attend a continuing education seminar or conference to update their knowledge and then bring this knowledge back to the unit where they work.

Fund Allocation
Two $1,000 scholarships may be distributed once a year from the Herb and Sue Henderson Continuing Nursing Education Scholarship. Allocation is to be used to defer costs associated with attending a national nursing continuing education conference.

If qualified applicants are not identified, the scholarships may go un-awarded for the year.

Eligibility
Applicants must be current employees in good standing at Enloe Medical Center working as nurses in the NTSICU or ICU/CCU. Preference will be given to nurses employed in the NTSICU firstly and to those from the ICU/CCU secondarily.

Recipient Responsibilities
Recipients are required to give one presentation on a nursing best practice topic to the NTSICU staff. This may be done at a staff meeting, Neuro teaching rounds, Trauma teaching rounds or a symposium held at Enloe Medical Center. The manager of the NTSICU will work with the applicant on arranging this presentation.

Application Requirements
All required documents listed on the application checklist, an attached continuing education registration form and a letter of recommendation from unit manager or a unit designated charge nurse.
Janis Kay Anderson Graduate Nursing Scholarship

Janis Kay Anderson always dreamed of becoming a nurse. In elementary school, she read all the Sue Barton Student Nurse books. Janis graduated from Southern Illinois University, Edwardsville. Her nursing career was from 1975 to 1996 in the ICU/CCU of Chico Community Hospital and Enloe Medical Center. Janis, a skilled and compassionate clinician, was a charge nurse and eventually became a S.W.A.T. nurse. She was well respected and known for her calm leadership, wide smile and professional skills, Janis’s love of nursing gently lifted the hearts of her patients and her fellow nurses.

Established in Janis’s memory by her husband Brian Anderson, this scholarship is to financially support nurses that have a similar passion and skills in nursing that Janis displayed.

**Fund Allocation:**
One $1,500 scholarship may be distributed once a year from the Janis Kay Anderson Graduate Nursing Scholarship Fund. Allocation is to be used for graduate level programs at or through an accredited graduate nursing institution.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center and must be accepted or enrolled into the Master of Science in Nursing Program at CSU, Chico or other eligible nursing educational institution.

**Application Requirements:**
All required documents listed on the application checklist and proof of enrollment or letter of acceptance into the Master of Science Graduate Nursing program.
Men’s Associates Enloe Medical Center Employee Scholarship

To honor the Enloe Men’s Associates (1966-2007), the Men’s Associates Enloe Medical Center Employee Scholarship Fund was created to continue their legacy of supporting and promoting the programs of Enloe Medical Center through education, advocacy, fundraising and service.

**Fund Allocation:**
Two $500 scholarships may be distributed each year from the Men’s Associates Enloe Medical Center Employee Scholarship Fund. Allocation is to be used for any Enloe employee to fund continuing education related to employment at Enloe at a conference, educational institution, or on-line seminar.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist.
Nancy and Gary Coelho Surgery Employee Scholarship

In 2010, Nancy and Gary Coelho established the Nancy and Gary Coelho Surgery Employee Scholarship Fund. This scholarship is reflective of a broadly based interest in hospitals by the family that is focused within this scholarship on enhancing and encouraging educational advancement of hospital based surgical staff. Nancy is a current employee of the Surgery Department at Enloe Medical Center and Gary is retired from Tri-Counties Bank.

**Fund Allocation**
Three $500 scholarships may be distributed once a year from the Nancy and Gary Coelho Surgery Employee Scholarship Fund. Allocation is to be used to fund continuing education at an accredited education institution to advance the employee towards a 2-year or 4-year degree. Applicants must be an employee in good standing currently employed within Enloe’s Surgical Services Department. Scholarship disbursement may be used at the CSU, Chico, Chico Associated Students bookstore.

**Eligibility**
Applicants must be current employees in good standing at Enloe Medical Center and be an employee within Enloe Medical Center’s hospital-based surgery department. Applicants must also be currently enrolled in an accredited 2-year or 4-year college or university.

**Recipient Responsibilities**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements**
All required documents listed on the application checklist.
Peggy Steel Nursing Scholarship

A local long-time resident who greatly appreciated the nursing care she experienced while a patient at Enloe Medical Center, and who recognizes the vital role that nurses provide in a hospital setting, funded this scholarship program in 2008. It is designed to encourage and enhance the educational opportunities and advancement of our nursing staff and to encourage potential and practicing nurses to stay in the area to pursue their education, and to commit to local professional nursing pursuits.

**Fund Allocation:**
Three $1,000 scholarships may be distributed each year from the Peggy Steel Nursing Scholarship. Allocation is to be used for Enloe employees that have a stated desire to stay local pursuing their education and professional nursing career.

**Eligibility:**
Applicants must be current employees in good standing at Enloe Medical Center.

**Recipient Responsibilities:**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist and documentation of the type of nursing education these funds will be used toward.
Suzette Stueve Memorial Nursing Scholarship

Suzette was a RN in the Clinical Informatics Department at Enloe Medical Center. Everyone that knew her remembers her incredible smile and quick wit. Suzette began her journey at Iowa Western Community College and graduated with her RN. She earned her BS in Nursing at a later date. She was such an inspirational person and touched many lives throughout the community and Enloe Medical Center. In honor and memory of Suzette Stueve, a fellow nurse, Diane Woolridge has created the Suzette Stueve Memorial Nursing Scholarship.

**Fund Allocation**
One $1,000 scholarship may be distributed each year from the Suzette Stueve Memorial Nursing Scholarship. Allocation is to be used for an Enloe employee that has a stated desire to stay local pursuing education for a professional nursing career.

**Eligibility**
Applicants must be current employees in good standing at Enloe Medical Center and accepted or enrolled in a RN program at either CSU, Chico or Butte College.

**Recipient Responsibilities**
Recipients may be asked to submit a report and/or speak about their educational experience to appropriate groups.

**Application Requirements:**
All required documents listed on the application checklist and documentation of the type of nursing education these funds will be used toward.
